

IT'S A SURPRISE!

Remember how excited Jasper G and his grandma were when they planned the surprise party for Grandpa G? Their special touch made the occasion unique and joyful!

ASK YOUR FAMILY MEMBERS

Who do we know in our life that could use a special surprise?

Let's plan a way to surprise them and make them feel loved and happy!

DIRECTIONS

1. Gather the family together and discuss who they would like to surprise.
2. Write down ways to surprise your special guests. Ideas could include a handwritten card, handmade gift, baking a dessert, or even just spending time with them.
3. Wrap the surprise in a nice gift bag or box and deliver it!
4. Take photos or videos of your family working on the surprise and when it's delivered. Place these memories in a scrapbook or on the fridge.
5. After the surprise, sit down as a family and discuss how it went. Share feelings about giving and receiving.
