

# See Someone, Serve Someone

## THE ONE-UPPING WONDER

### Directions:

When you serve others, you stop thinking about yourself and comparing yourself to them. Instead of saying, "I did this better than you," you learn to say, "That's awesome!"

Print out the board and encourage your children to serve others. Praise them when they complete an activity. Have a celebration when they finish their board.

**Let someone go first.**

**Tell a friend,  
"Great job!"**

**Clean up a mess  
you didn't make.**

**Wait your  
turn patiently.**

**Ask someone how  
they're doing.**

**Draw a picture or write a  
kind note for someone.**

**Listen without  
interrupting.**

**When someone does  
something kind for you,  
say, "Thank you."**

**Share your toy or snack.**
