

# Be-True-To-You Charades

## THE FITTING-IN FRENZY

### Directions:

1. Print out the "I Like" cards from the portal.
2. Cut, fold, and put them in a bowl.
3. Players take turns acting out what is written on the card without speaking. All the other players guess what action they are doing.
4. When the action is guessed correctly, the player acting it out shares a short story or example about how the hobby reflects or doesn't reflect their own likes and hobbies.
