Please bring 17 mops

Do some high kicks and chops

You can act with some props

Oh, the fun never stops

Then go water your crops

Is your room full of papers and glitter and glue? Well, just start picking up. \_\_\_\_\_.

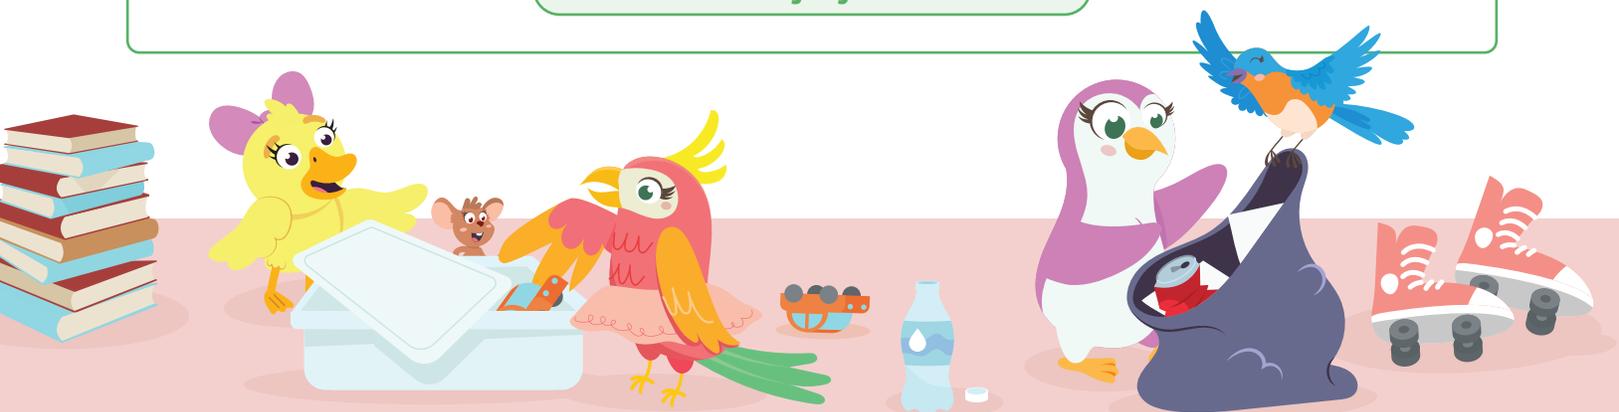

You know just what to do

And try on an old shoe

Try to find the next clue

Show a picture you drew

Please don't dye your hair blue

## THE CARELESS CLEANUP

Is your closet a mess? Do you stuff everything? Are there piles of junk? \_\_\_\_\_

Tie a gift up with string.

Do you have lots of bling?

Do you find that you fling?

Throw your head back and sing.

Go try on a new ring.

You can make a new start. Let that old clutter go. Fold your clothes. Hang up coats. Pick up toys. \_\_\_\_\_!

Ride a crow

What a flow

Watch a show

Shovel snow

You're a pro

Taking care of your things shows you care about you, and you care about friends. \_\_\_\_\_!

Way to go, pal, yahoo

Go jump in a canoe

Do a dance. You're all through

You're responsible too

Scream and shout howdy-do
