

Betta Tugive's Big-Hearted Rhyme-Along

THE FORGETFUL FOCUS

Directions:

Complete the following rhymes with the word banks below, or come up with your own fun, focused rhymes.

In the land of the givers where empathy wins, join our fast-footed friends _____.

where real friendship begins

and confess all your sins

feel those needles and pins

They have learned that good listening makes friendships strong.
It shows care for each other. _____

Just shout this new song.

Build bricks all along.

You know they're not wrong!

So, do you listen up with your ears as you should?
Or just think about you? _____.

Have a nice piece of wood

That won't do any good

Then you misunderstood

Betta Tugive's Big-Hearted Rhyme-Along

THE FORGETFUL FOCUS _____

Just imagine the things that your pals feel right now. It will help them feel better _____!

, then hug a pink cow

about it somehow

. Stand up. Take a bow

And you'll feel better too, when your hearts beat the same. Focus in. It's the best! _____

And you'll win the whole game!

Come again? What's your name?

Did you sneeze? Who's to blame?
